CLUB SUISSE DU CANICHE CSC

Regulations for the Swiss Championship in Agility, Obedience and the Combination Beauty and Sport

„Pudelmania“

1. Fundaments

The Swiss Poodle Club (SPC) hosts a Swiss Championship in the sports Agility and Obedience.

The qualifications follow the valid Agility and Obedience Regulations from the TKAMO-SKG.

The event is organized by an organizational team including the Central Board of Members of the Swiss Poodle Club (hencefore SPC).

2.1 Organization

The SM (Swiss Championship) is self-financed, through entry fees, advertising revenues and sponsoring revenues.

The organizational team creates a budget, that must be constantly approved through the Central Board of Members.

The OT (Organizational Team) creates an exact final account.

If a profit is achieved, it is available tp be used for the next Pudelmaina. If the OT is dissolved, the residual assets will flow into the SPC funds.

If a repeated loss is expected, wherein the SPC will have to carry the event, the SPC is allowed to decide if the event is to be continued.

3.1 Entry Conditions

All Poodles with FCI/SKG pedigrees are allowed (including nationally recognized Parti-colored Poodles).

The dogs must have a valid license at the time of the SM. The owner/agent of the dog

must have a place of residence in Switzerland or Lichtenstein and be a member of a Local Section or a Breed Club. The entry for the SM is applied to the human/dog team and after the first run may not be changed.

4.1 Sports and Classes

It lays in the discretion of the OT if there is to be a Swiss Championship in both Sports (Agility and Obedience).

Agility

There will be classes in all 3 size categories – Small, Medium and Large, as well as in all Experience Grades (LA, LMS 1-3).

Obedience

There will be classes in the Grades Beginners CH and Obedience 1-3

4.1 Agility

For the SM, within the parameters of an official competition the Agility and Jumping runs will be judged as Qualifying Runs.

The Grades LA and LMS1 will run the same course (Jumping), but with a separate ranking list. The same stands for the Grades LMS 2-3.

A maximum of 40 Swiss Teams(16 Large, 12 Medium, 12 Small) and 40 Foreign Teams (16 Large, 12 Medium and 12 Small) can qualify for the Final.

The reigning Swiss Master and the winner of the Best Visitor from the previous year automatically qualify as long as they competed in one of the qualifying runs.

This adds up to a Total of maximum of 86 Teams in the Final.

Foreign Teams

Foreign teams require a valid Agility license, and a Poodle with an FCI pedigree or a nationally recognized Parti-Colored Poodle to be able to qualify for the Finals.

Finals Qualification

The following Teams automatically qualify for the Final:

- Best Swiss Poodle and Best Foreign Poodle in the Qualifying Runs in Jumping (in every Size and Grade)

Total of 20 Teams

- Best Swiss Poodle and Best Foreign Poodle in the Qualifying Runs in Agility (every Size and Grade)

Total of 20 Teams

Final participation through Combined Rankings (Jumping & Agility):

- The respective two best Teams (2 Swiss and 2 Foreign) from the CombiRankings of every Size and Grade qualify for the Final; if a Team has already directly qualified for the Final, the Team behind advances automatically along the CombiRanking.

Total of max. 40 Teams

If not all Final Places are assigned through the direct qualification and the Combination Ranking Lists, the following procedure will begin:

The free Final Places will be divided percentually between the Sizes Large, Medium and Small (all Grades combined) in proportion to the amount of entered Teams.

All as yet non qualified Final participants that achieved a V0 or a V5 in one of the Qualifying Runs, will be separated by Size (Small, Medium and Large) and will enter a lottery and receive a Final Place through a „Lucky Looser Ticket“.

Caution: Teams that are eliminated in **both** Qualifying Runs cannot advance into the Final.

Final

The Final consists of one Jumping and one Agility Run. The starting order is mandatory.

Jumping

The Starting Order is defined randomly, last years winner runs at the end.

Agility

The Starting Order is the Ranking List from Jumping but in reverse order. Disqualifications run first in random order.

There is no possibility to appeal.

Titles to be won in the Final

All Final competitors run the same course, split by Size (Small, Medium, Large) and will each have a separate Ranking List.

All Grades will run and be ranked against each other.
